

BHS Health Community Service Form

Bainbridge High School students are required to complete 8 hours of community service prior to graduation. This requirement is met during the student's semester in Health. The student has the choice to volunteer for a wide variety of services, most of which are non-profit 501c3 organizations. All volunteer hours must be documented below by the student and signed by a supervisor (**not a parent**) and signed in ink. If you have any questions, please email Ms. Leigh at leigh@bisd303.org.
