

**EAGLE HARBOR HIGH SCHOOL
INDEPENDENT STUDY CONTRACT EXPECTATIONS AND AGREEMENTS**

Independent study contracts have a specific set of expectations and requirements. Some of those things are the same as a seat-based course...but some things look a little different. This document serves to clarify the obligations and expectations of the student, advisor, and parent to support successful completion of the course.

ATTENTION BHS STUDENTS: If you choose to register for an independent study contract course through EHHS, you need to follow these guidelines, participate in the EHHS Advisory with assigned teacher, and communicate weekly about progress and learning goals. Attendance in an Advisory period is required. Thank you.

SEMESTER Week 1 Expectations:

1. Return this document signed and dated by student and parent to your EHHS advisor
2. Create Syllabus/WSLP contract as a Google document and share it with advisor (or save in your H: drive at school so you always have access to it and able to print out)
3. Create a Student Log as a Google document and share it with your advisor and one parent
4. Complete the "Contract Questions" on the first page of your Ind. Contract/ WSLP form
5. Establish Learning Targets and Goals for First month of contract
6. Decide the topic for your first Monthly Project
7. Complete 5 hours work towards this contract (taking care of the above items may be counted towards this time).

Course Model: This is an "outcome-based" course. The student is expected to perform at 80% accuracy as measured on assignments and assessments. The student has choice in the learning methods to reach understanding of the materials. The daily work is completed off-campus or during advisories. During your on-campus time, you will have a weekly one-on-one meeting with your teacher/advisor to support your learning. **COMMUNICATION WITH EHHS ADVISOR IS ESSENTIAL TO EARN CREDIT AND COMPLETE THE INDEPENDENT STUDY CONTRACT SUCCESSFULLY.**

To build understanding of each learning target, the student will:

1. Keep a portfolio in Google Classroom with Advisor and in a binder as needed of all completed work
2. Come prepared to the weekly advisory meeting
 - a. Update the student log prior to the meeting
 - b. Come with evidence of progress to the weekly meeting
3. Design any projects and resources that can increase understanding.
4. Complete all assignments and assessments listed at 80% or better level
5. Other: Adhere to any "agreements" made with the advisor and noted in your student log

At your monthly EHHS teacher evaluation meetings, the student will:

6. Share their portfolio of completed work.
7. Review the learning targets for the next month
8. **Update WSLP Contract** (Written Student Learning Plan) by using the student log
9. Determine if satisfactory progress has been made on your learning plan based on 80% scores on all assignments.
10. **Share monthly project with advisory class for peer feedback and discussion.**
11. Parents/Guardians are encouraged to attend the monthly evaluation meeting, and a **parent signature is required on monthly log sheets for advisor approval.**

At the end of the term, the student will:

12. Complete all expected course work
13. Print out "End of Semester" checklist
14. Assemble and submit the **Binder OR GOOGLE CLASSROOM EXPECTATIONS AND ASSIGNMENTS**
15. **Present Final Project during your ADVISORY PERIOD TO YOUR CLASS AND ADVISOR**

If students are not making weekly or monthly progress, advisor will create an Intervention Plan to be followed and signed by student, parent, and advisor.
