Dear community member,

*Many Bainbridge High school students go above and beyond their minimum service requirement to earn Presidential Service Awards prior to graduation. Students who volunteer a certain number of hours in one calendar year are eligible to earn a Presidential Medal. Volunteer hours must be documented below by the supervisor (**not a parent**) and signed in **ink**. You have the flexibility of selecting your own range of one calendar year. Hours must be turned in by April 3rd when medals are ordered prior to each graduation year. The following are a list of medals that correspond to the number of hours performed. Bronze-100-174, Silver-175-249 and Gold- 250+. For more information about this award, visit <http://www.presidentialserviceawards.gov>. For further questions contact Mrs. Moore cmoore@bisd303.org.*

*Thank you for supporting our service volunteers,
Bainbridge High School Community Service Coordinator*
